## To Whom It May Concern

**Re: Fiona Blayney**

It is my pleasure to write this referral for Ms Fiona Blayney.

Recently at the REINZ New Zealand Property Management Conference 2004, we had the pleasure of Fiona presenting three sessions for our delegates.

Fiona's presentations contain material that is **very relevant and easy to implement**, and the feedback we have received further confirms that the material was **extremely useful** to our delegates.

Fiona's **style is vibrant and motivating** and whilst there is a lot of material in her presentations, she is able to **communicate** this very well to her audience.

If further recommendation is needed please do not hesitate to contact me.

Yours sincerely
